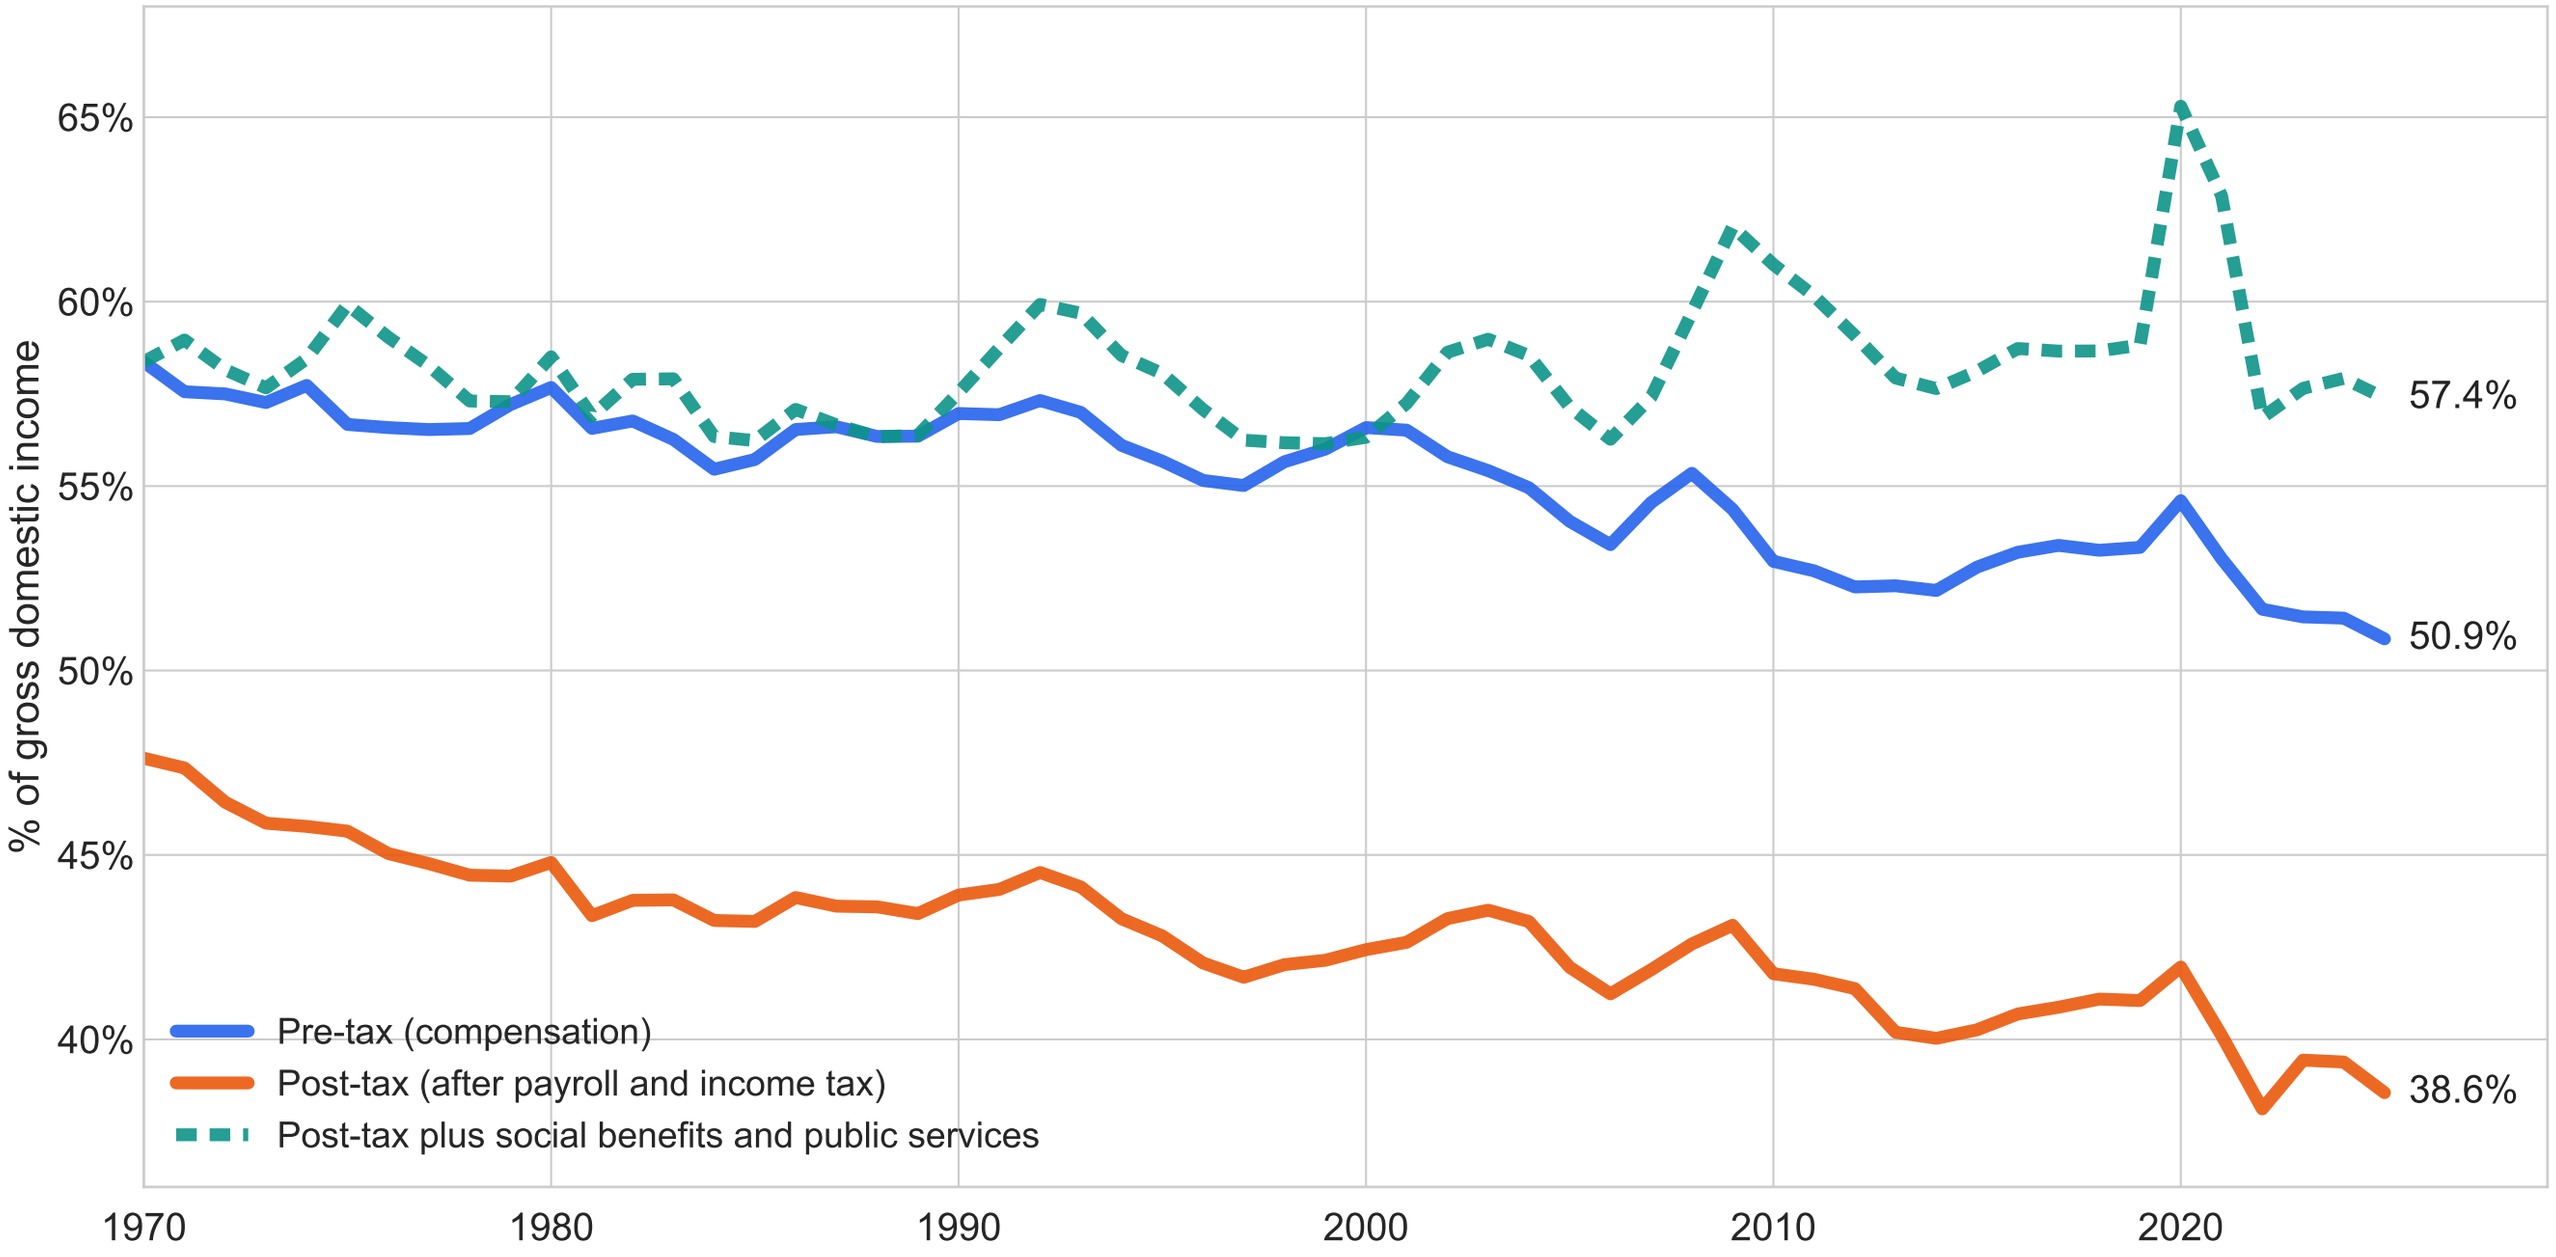
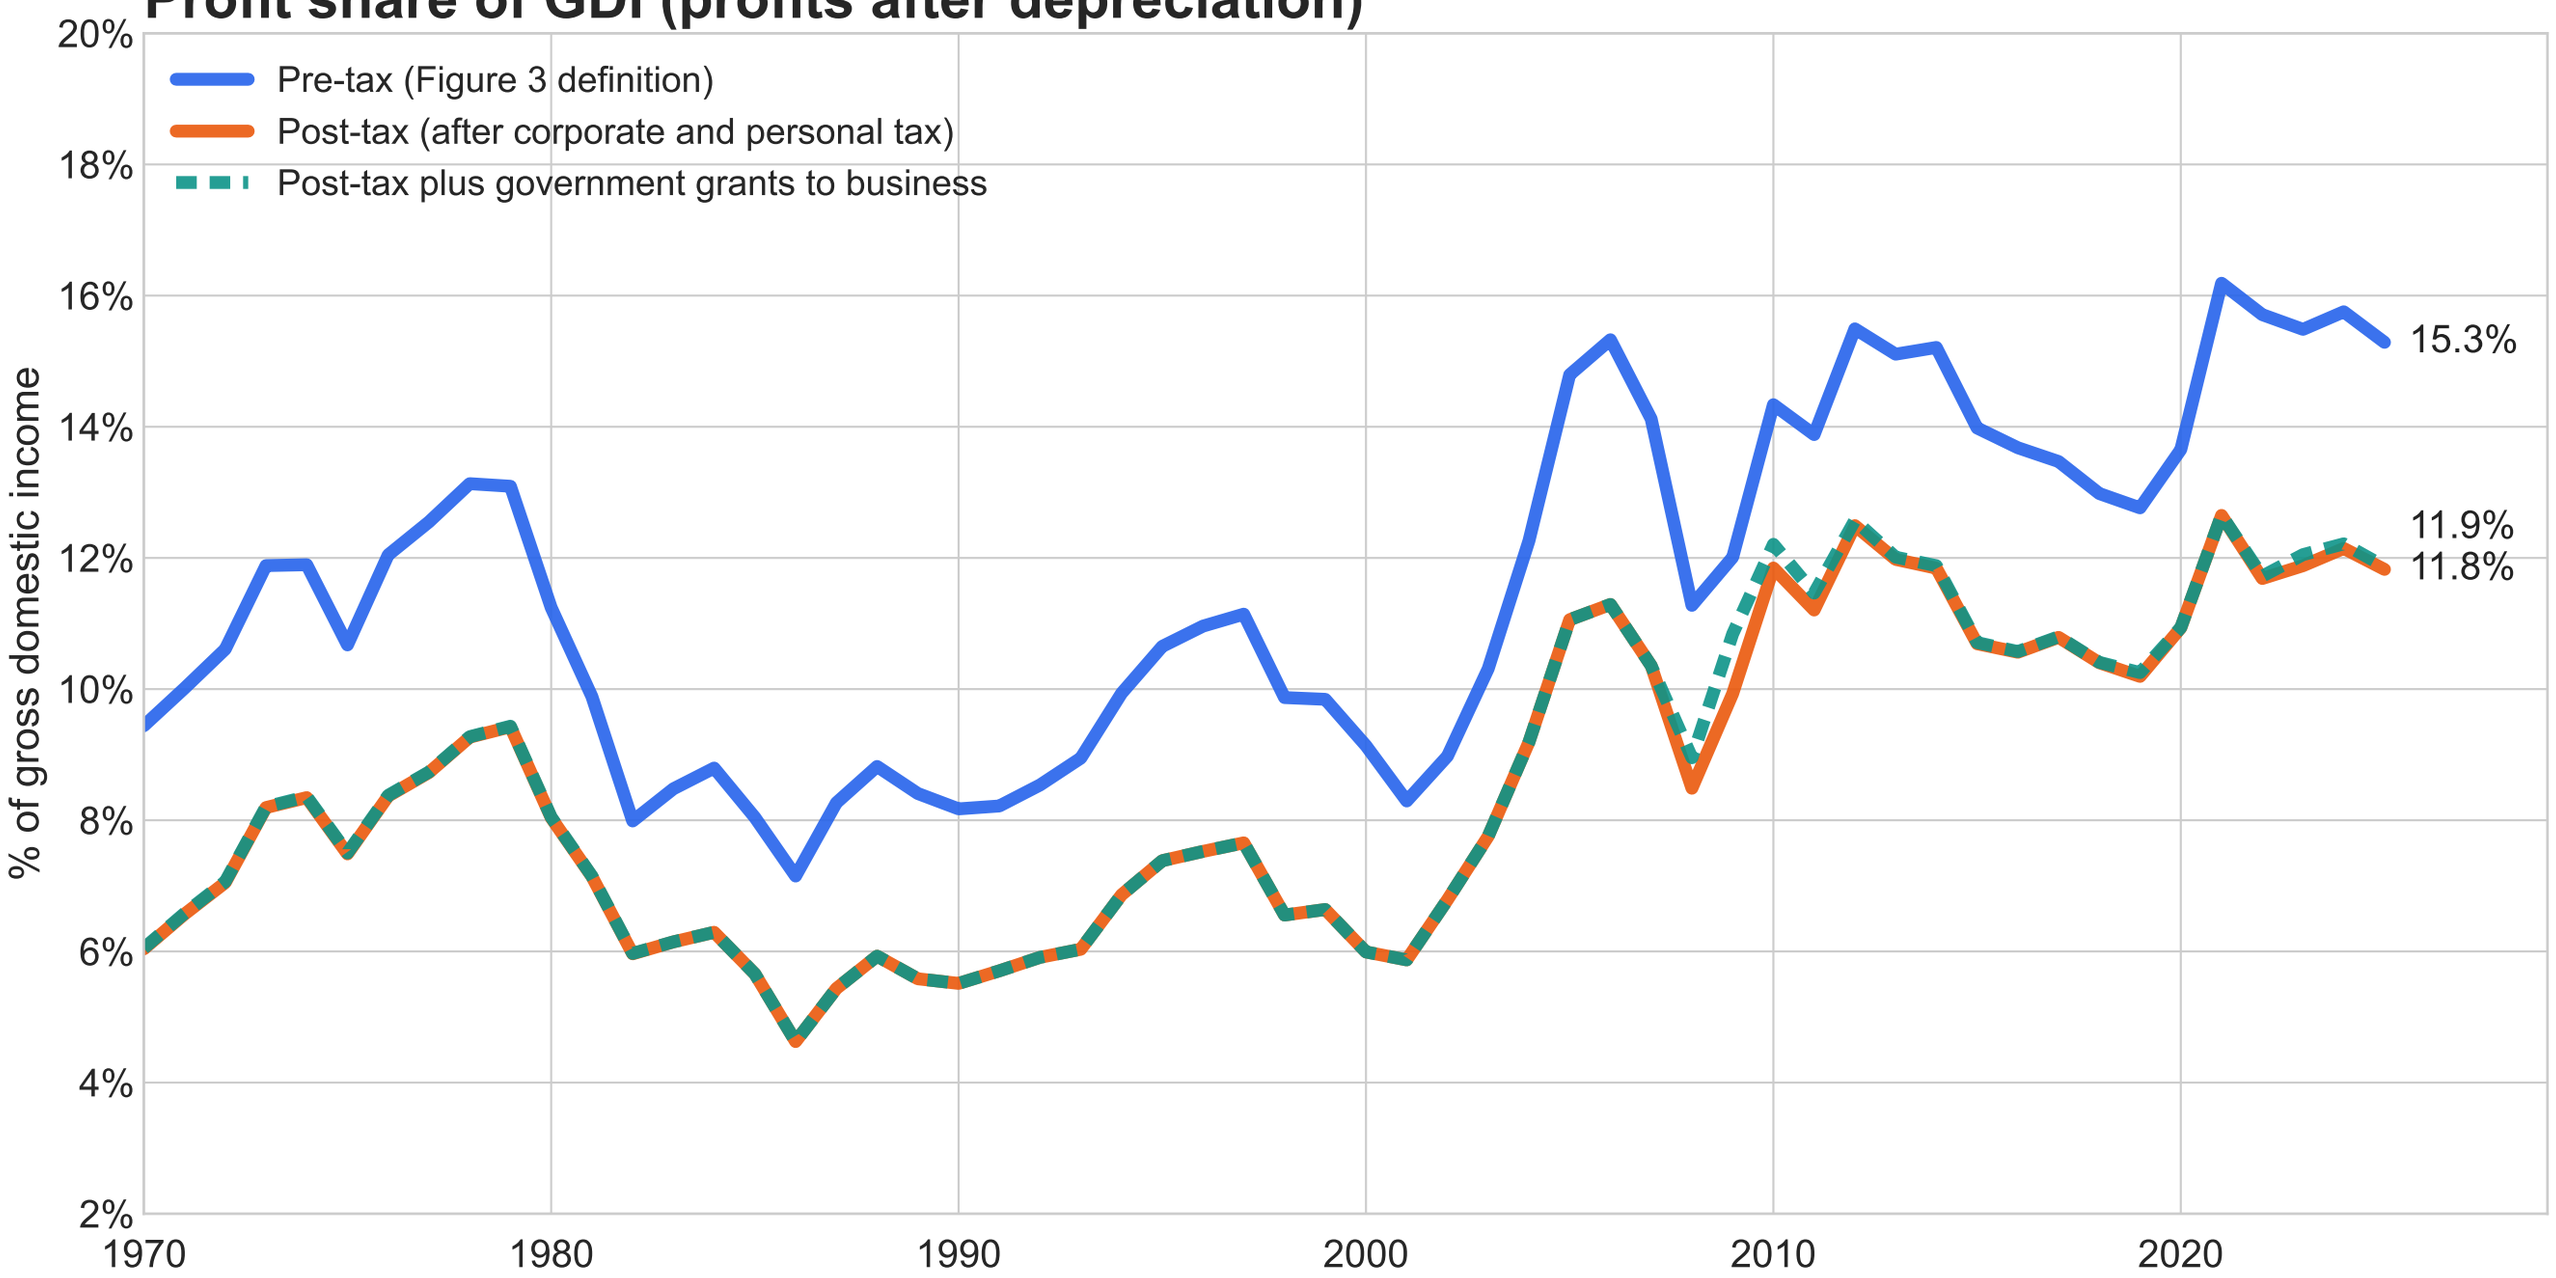
Labor share of GDI



Profit share of GDI (profits after depreciation)



Source: BEA NIPA bulk data (Tables 1.10, 1.12, 2.1, 3.4, 3.6, 3.12, 3.17, 5.11). Social benefits are government social benefits to persons, less Medicare premiums paid by enrollees. Public services are government spending on health, education, recreation and culture, and income security services; labor's part is wages' share of household income. Government grants are federal capital transfers to business, including the 2008-12 financial stabilization payments. Collective spending such as defense, police, and roads is left out. Net social wage method of Shaikh and Tonak (1987) and Moos (2019).
